The Minnesota Department of Corrections and RESOURCE invite you to attend our session for employers. Learn about:

- The career technical training - *The Second Chance Act: Technology Careers* - Department of Corrections provides for men and women in correctional facilities to prepare them for careers upon release.
- Department of Corrections and RESOURCE's partnership and how continued training and upon release can be provided - plus additional supports including Career Counseling that help individuals prepare for work.
- The employer benefits of hiring individuals with felony records, including bonding through the MN Dept. of Employment and Economic Development (DEED) and federal tax breaks.
- Innovative strategies employers are utilizing to hire individuals with felony records.

RSVP is required. Register at <https://www.eventbrite.com/e/hiring-trained-hidden-talent-technology-manufacturing-construction-careers-tickets-37094126531>

Sponsored by Second Chance Act - Technology Careers Grant

Serving the community since 1960, RESOURCE is a full-service nonprofit that increases well-being through recovery, employment and career advancement.
